Dated: Hassan 16th January 1892

From

The Deputy Commissioner

Hassan District.

To

The Chief Secretary

to Government of

Madras.

Sir,

In submitting herewith Budget

estimates of the several municipalities

- 1 Hassan Town
- 2 Alur.
- 3 Saklespur
- 4 Belur
- 5 Arsikere
- 6 Banawan
- 7 Harihully
- 8 Channarayana
- 9 Hole Narasipura
- 10 Arkalgud.

of the Hassan District for 1892-93 I have the honor to furnish explanation on certain points in connection with the same. —

Notes

1 Receipts under this

head are estimated on the actuals of the first half and on probable collections in the 2nd half of the current

year as per instructions conveyed in
Para 1 of the Government Proceedings

256244 20 743 188702

No 49117-28 dated 23rd July 1891 taking
L 332

Came at the same time to give attention
to the actual Collections up to 31st
December 1891 which are creditably in-
creasing — the estimates therefore
seem to be correct.

Houses and Imtiarfa } 2. Under these
taxes

heads the estimates are generally based
on the current year's gamaabunoy. —
Increase under these items 00100001 is attributed
to the large number of houses being
newly constructed and new shops
being opened in some of the towns viz.

Hawani, Sakleskie, Arsikere, Banavare
which are gradually rising into impor-
tance. Moreover entire realizations
from these sources are credited to
Arsikere Municipality as per recent
orders from Government; and the
House tax on Railway buildings

is also added on ⁴ to the income of
this town. Where there is decrease
in the estimates under these taxes
as compared with the actuals for 90-91,
it is ascertained that this decrease
is owing to last arrears being fully
cleared up during 90-91.

Miscellaneous. — 3. Under this head
only three items are worth being noticed:
viz (d) Receipts from Cattle pounds
(f) School fees. (m) Contributions. —
Receipts under (d) (f) have every
year been increasing. (m). Portions
of Provincial roads lying within the
municipal limits of Hassan, Sakleshwar,
Ariskere and Channarayana are
together with portions of district roads
lying within the limits of the
Hassan Town have been made over
to the respective municipalities
and the maintenance charges of these

roads are annually contributed from
Public works Department. The amounts
of contributions for Hassan and Chan-
naroyapattin have been settled and
the same are entered in the ensuing year's
Budget — but for Arsikere and Sakleshpur
contribution amounts have not as
yet been settled for want of certain
information. This will be intimated
to your office when received. —

4. Other items call for no remarks.
5. Likewise, in making provisions
in the Budgets for expenditure during
the ensuing year. 92-93, proposals
submitted by the Vice President of
the Hassan Town Municipality, and
those submitted by the Amildars
concerned for the Minor Municipalities
were duly considered, and requisitions
received from the officers noted in
the

the margin were duly attended to having in

GOVERNMENT OF MYSORE

"Head Office Charges": 6. Monthly pay of the District Office Statistician and Municipal Clerk viz Rs 150 and Contingent charges viz Rs 30 are borne proportionately by several Municipalities of the District. Of the said amount i.e. Rs 180, Hassan Municipality alone bears a cost of Rs 48 for the pay and Rs 30 for Contingency.

The works entrusted to this clerk being heavy as represented in the Municipal administration report for 90-91, and there being no separate Clerk in the Vice President's office, it was resolved by the Board that the

present charge viz Rs 48 should be
dispensed with and debited to senior
municipalities alone, and that a
separate clerk be entertained either on a
fixed wages or an allowance of Rs 10 per
month to do work in connection with
this municipality both in the district
office and under the vice President.
A new provision of Rs 120 per annum
is accordingly made in the ensuing
year's Budget increasing the present
Head office charge by Rs 72 and
reducing the Contingent allotment from
Rs 30 to 18 thus showing a net increase
of Rs 60 only under this head.—

7. Under the circumstances re-
presented above and with reference to para
87 of the Government Proceedings
quoted above the marginally noted
modifications were effected under
Head office charges

Having regard to the realizations from this source (at the close of that year) which has ^{been} enormously increasing since the establishment of the Cuttays, the Board not only recommenced the retention of the services of these 4 peons during 91-92, but they also resolved to have a 3rd Cuttay established with an additional establishment of 2 peons on the Hassan Salgaon road. It is to be observed that the present income under this head

amounts to more than double that collected before this establishment was entertained. In consideration of the circumstances represented above provision is again made under this item for the ensuing year, and the Government is requested to sanction the same for a year more. The additional establishment applied for and sanctioned in the aforesaid Progs of the Government was not however entertained during the current year.

of 5 per cent on the collection is paid to the collecting establishment (Shanboque) — the maximum

annual payment being Rs 40 and the minimum Rs 10.

10. In order to avoid the inconveniences

felt by the Amildars in discharging
~~GOVERNMENT OF MADRAS~~
duties in connection with the Municipal
Department for want of a
special establishment. The object
of entertaining a small establish-
ment for this purpose has already
been made known to Government.
(vide special report on the audit
of Municipal accounts for 1890-91
No $\frac{358}{5}$ of G.O. dt. August 1891. Now,
having ~~in~~ ⁱⁿ view the necessity for
the provision being made under
this head in the ensuing year's
Budget, and the financial condi-
tion of the respective municipalities,
the following arrangements are
suggested.

(a) The town of Alur being only
a Subli Head Quarter and an
important place where a weekly

Fair is held, a beautiful day on

SECRET

Rs 8 per annum is to be appointed to do all work in connection with the Municipality; and an allowance of Rs 2 per annum is to be paid to one of the Taluk Gunastars who does work in the Taluk Court-cherry at Hassan. This extra charge of Rs 120 per annum is to be met from the savings effected by reducing the number of members from 4 to 3 on Rs 5 each, and by disallowing a charge of Rs 30 per annum being the Commission on Octroi collection. From this it is clear that an extra charge of Rs 30 only is to be incurred.

(c) For Sakleshpur an allowance of Rs 3 per mensem is to be paid to one of the Taluk gumastas for doing this work - Oct 1911

allowance being retained.

(c) Belur being a large town and the municipal income being high, a Mutsuddy on Rs 8 is to be entertained doing away with the present allotment on account of Octoi Collection i.e. Rs 40, and dispensing with the services of the present Brahmin Muffedar who is now doing the work of Mutsuddy. In this arrangement a saving of Rs 16 will be effected.

(d) Arrikere Taluk has three municipal towns and the work is heavy. Present financial condition of these towns does not allow a separate Mutsuddy being entertained; An allowance

of Rs 5 per mensem may be granted to the Isukh gumasta who now looks after the work connected with this Department, the charges being distributed among the three towns as specified in the margin.

Arrikere	30	(c) Similarly an allowance of Rs 3 per mensem may be granted to one of the Isukh gumastas to do municipal

work in Channarayana, Hole Haribur and Arkalgud towns.

Provision is accordingly made under this head in the ensuing year's Budget and I solicit sanction for the same.

11. Conservancy. Entertainment of additional establishment under

under this head was found absolutely necessary for efficiently preserving cleanliness and sanitation. Extra charges have accordingly been provided for in the ensuing year's Budget for the towns of Belur, Hole Narsipur, Harnahally Banawar and Arsikere. Details of the establishment to be entertained are shown in Budget statement No III for respective municipalities. Rates in Belur and Arsikere are rather high as the labor is dear in these places in consequence of the bridge work being in progress in the former, and the latter being a Railway station.

12. Lighting. The only towns in which the lighting system has

now been in force in Hassan

Sakleshpur, Belur, Channarayana~~pet~~
and Arkalgud. Arrangements
municipality has now applied for
lighting which is necessary for
this town, and the provision made
in the Budget may be sanctioned.

Hole Narasimha and Alur once
had an idea of having lighting
system introduced into the respective
towns. Their request was complied
with by the Government. They gave
up the idea on reconsideration.

head necessary provisions are made for works of sanitation and of public utility. Most of the works provided for in the current year's Budget are likely to remain unexecuted at the close of the year. Considering the provisions sanctioned for these works as unexpended charges, fresh allotments are made in the ensuing year's Budget for the same works with slight alterations.

13. Dispensaries and Education. Requisitions received from the Senior Surgeon and the Education Secretary were attended to in making provisions under these heads.—

14. Repairs to Cattle pounds. Bad condition of the cattle pounds in the district having been brought

to notice, the Local Fund Board resolved to undertake annual repairs to such houses lying out of the Municipal limits, out of District Funds at the rate of Rs 100 for each Taluk. vide para 4 Resolution II of District Fund Board Proceedings dated 22nd September 1890. —

With reference to the above, a provision of Rs 50 for each Municipal town, being the ⁵⁰⁰⁰ ₅₀₀₀ Cost of the total estimated charge of repairs was made in the Municipal Budget for repairing the houses within the Municipal towns as an experimental measure. The total allotment viz Rs 150 for each Taluk will be spent annually (as circumstances may permit) on such houses as stand in absolute need of repairs.

15. Other items call for no special

remarks

remarks.

16. As per instructions conveyed in Comptroller's docket No 3473 dated 13th November 1891 the opening balances at the credit of the respective municipalities are correct, and in the cases of minus balances at the credit of Belur, Saklespur and Channarayana towns, provisions made for the current year were recorded and the result ⁰⁰⁰⁰⁰₁₀₀₀₀ communicated to Government in this office No 672 dated 2/10/91
 4th January 1892.

17. With the foregoing explanations, I request that you will be good enough to obtain sanction of Government for the provisions made in the ensuing year's Budget.
